

**ORDINANCE 2026-04**  
**TOWNSHIP OF GREEN, COUNTY OF SUSSEX, STATE OF NEW JERSEY**

**AN ORDINANCE AMENDING AND SUPPLEMENTING THE CODE OF THE  
TOWNSHIP OF GREEN, SECTION 30-59, TO INCLUDE DATA CENTERS  
AS PROHIBITED USE IN ALL ZONES WITHIN  
THE TOWNSHIP OF GREEN**

**WHEREAS**, the Township of Green Master Plan emphasizes protection of the Township rural character, agricultural lands, scenic landscapes, environmental resources, and historic and cultural heritage; and

**WHEREAS**, data centers, by nature, present an intense and unique form of use of land use and development, posing significant challenges related to electricity consumption, noise, air quality, water use, community character and long-term planning objectives; and

**WHEREAS**, preliminary data cited by Members of the New Jersey State Legislature has cautioned that large-scale data centers can use as much as 3 to 5 million gallons of water in a single day between liquid cooling and water consumed to generate the energy that powers them; and

**WHEREAS**, this extreme volume of water usage impacts homes and businesses both within the municipality and the surrounding communities; and

**WHEREAS**, preliminary studies noted by the State Legislature also indicate that some data centers require 300 MW of electricity, which is roughly equivalent to the output of a small modular nuclear reactor; and

**WHEREAS**, aside from increases in taxes and governmental services across the board, in only the last year the majority of the State has already seen consumer energy costs increase more than twenty percent (20%), with additional increases expected within the next few months; and

**WHEREAS**, the high-tech data centers that are proliferating throughout the state consume a large amount of electrical power at a time when energy costs are increasing for ratepayers; and

**WHEREAS**, it is well established that overdevelopment, urbanization, and overuse of environmental resources impacts subterranean aquifers and the quality of drinking and other water resources and poses a substantial strain on community water resources; and

**WHEREAS**, the Governing Body is conscious of the hazards, such as depletion of critical groundwater resources, and the impact on the environmental and natural resources posed by the scope, depth and pervasiveness of large-scale commercial data center operations; and

**WHEREAS**, municipal regulations designed for the preservation of the environment and the protection of ecological values are a well-recognized, legitimate, and proper exercise of municipality authority; and

**WHEREAS**, cutting and removal of trees has been found to cause and create increased soil erosion and dust, instability, and deterioration in the value of surrounding property and other adverse environmental and geographical conditions; and

**WHEREAS**, dramatic increases and changes in population, development, and the impact of certain data center operations on residents, businesses, the environment, and private and public property have imposed significant burdens on municipal resources and have created increased need to balance the rights and interests of the residents and general public with that of the legitimate rights of property owners to conduct business without unreasonable regulation; and

**WHEREAS**, in light of these significant changes in confluence with modern advancement in technology, scientific and environmental research that have allowed for a more accurate and comprehensive understanding of the hazards and dangers posed to surrounding property, environmental and natural resources, the general public, and the proliferation and expansion of governmental regulation of the environment, safety and business in general, that have occurred since the enactment of the municipalities zoning and development regulations, the Mayor and Council have determined it necessary and appropriate to amend and update its ordinances to adequately address data center uses in a manner that best reflects present needs and realities; and

**WHEREAS**, the Township Committee of the Township of Green have determined that it is at this time necessary and appropriate, and in the best interest of the health, safety and welfare of its residents and members of the public who visit, travel or conduct business in the Township to amend the Township Code to include all manner of data centers land use and development as a non-permitted use within the geographic boundaries of the Township and to otherwise improve and strengthen the nature, scope, manner and effectiveness of such regulations;

**NOW, THEREFORE, BE IT ORDAINED** by the Township Committee of Green Township, Sussex County, New Jersey, that as follows:

**Section 1.** Chapter 30, “Land Use Regulations”, Article II, “Definitions”, Section 30-4, “Words and Phrases Defined” of the Code of the Township of Green is hereby amended and supplemented to add the following definition:

**DATA CENTER** shall mean and include any facility used primarily for the storage, management, and processing of digital or electronic data, which houses computer and network systems, including associated components such as servers, network equipment and appliances, telecommunications, and data storage systems, systems for monitoring and managing infrastructure performance, Internet-related equipment and services, data communications connections, environmental controls, fire protection systems, and security

systems and services. Typical accessory components of a data center may include transformers, electrical substations, environmental controls, fire suppression, generators, redundant power supplies and security facilities.

**Section 2.** Chapter 30, “Land Use Regulations”, Article XVII, “General Provisions”, Section 30-59, “Prohibited uses” of the Code of the Township of Green is hereby amended and supplemented to the following:

All Data Centers, as defined in Chapter 30, Section 30-4, of the Green Township Code, and any and all uses related to the Data Centers are prohibited in all zoning districts

**Section 3.** The Township Clerk is directed to give notice at least ten (10) days prior to a hearing on the adoption of this Ordinance to the Sussex County Planning Board and to all other persons or entities entitled thereto pursuant to N.J.S.A. 40:55D-15, including to the Clerk of adjoining municipalities.

**Section 4.** After introduction, the Township Clerk is hereby directed to submit a copy of the within Ordinance to the Land Use Board of the Township of Green for its review in accordance with N.J.S.A. 40:55D-26 and N.J.S.A. 40:55D-64. The Land Use Board is directed to make and transmit to the Township Committee within thirty-five (35) days after referral, a report including identification of any provisions in the proposed Ordinance which are inconsistent with the Master Plan and recommendations concerning any inconsistencies and any other matter as the Board deems appropriate. Upon the adoption of this Ordinance, after public hearing, the Township Clerk is further directed to publish notice of the passage and to file a copy of this Ordinance, as finally adopted, with the Sussex County Planning Board, as required by N.J.S.A. 40:55D-16.

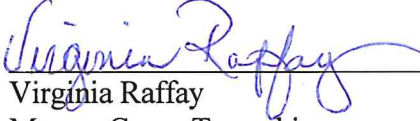

**Section 5.** Repealer. All ordinances or parts of ordinances contrary to or inconsistent with the provisions of this Ordinance are hereby repealed to the extent of such conflict or inconsistency.

**Section 6.** Severability. Each section, subsection, paragraph, sentence, clause and phrase of this Ordinance is declared to be an independent section, subsection, sentence, clause and phrase. If any portion of this Ordinance, or its application to any person or circumstances, shall be adjudged or otherwise determined to be invalid, unconstitutional, preempted, void, or ineffective for any clause or reason, such determination shall not affect the remaining provisions of this Ordinance, and the application of such remaining provisions shall not be affected thereby and shall remain in full force and effect, and to this end, the provisions of this Ordinance are severable.

**Section 7.** Effective Date. This Ordinance shall take effect immediately upon final passage and publication according to law.
