NEW BUSINESS:

Green Township Day – Kim explained everything being done for Green Township Day and where we were in the process. The Recreation Committee is looking into getting early artisans to show crafts from the 1900's. Suggestions included: Chair caning, butter churning, lace making and historical clothing. Daughters of the American Revolution and possibly Wayne McCabe will be contacted to see if they have any information. Kim has reached out to Waterloo Village and Peter's Valley, but both are unavailable. Patty has secured a blacksmith and a historical wood worker. Colleen confirmed Cliff's Ice Cream and the National Junior Honor Society will be there. Patty will check with Dave Miller about having a few old cars to show and with her petting zoo contact. DJ and Face Painter are confirmed. There are approximately 4 vendors and 6 information booths as of today.

Miss Green – No Contestants so far but all information has been sent to Newton, Pope John, Blair Academy and Sussex Vo Tech.
