**MATTERS FROM THE GOVERNING BODY:** Mr. Chirip informed the Committee that Linda Glosinski of the Land Conservancy sent letters to property owners to see if there is interest in preserving their property for open space. Mr. Chirip’s contact information is included in the letter.

Mrs. Phillips stated that she and Mr. Kurzeja have met to discuss the recreation fields and field maintenance. They are currently exploring what can be done with the existing fields. One option is to use Fireman’s Field which would provide some relief for the other fields. Another recommendation is to install sod in the mouth of the goals at EverGreen Park before the winter so that the fields are playable next spring. Mrs. Peralta has asked Mr. Kevin Viersma for a quote for the sodding and a quote for ongoing field maintenance. The Committee supports the sodding.

Mrs. Phillips motioned to authorize Mrs. Peralta to obtain proposals.

**MATTERS FROM THE TOWNSHIP CLERK/ADMINISTRATOR:** Mrs. Peralta noted the following:

- Trinca Airport demolition – building permits have been issued for the Quonset hut. The demolition is anticipated to start soon. Yannuzzi Group would like to start this Saturday, November 15, 2014, with disconnecting the electric to the office and classroom. Mrs. Peralta is attempting to get in touch with Mr. Tremper for access to the mechanics garage where the main circuit panel is located. As the property owner, Green Township does not have access to the buildings. The Committee feels that as the landlord, the Township should have access to the buildings. Mr. Stein stated the landlord typically reserves the right of access with notice unless there is an emergency. The current lease can be terminated and a new lease executed. Mr. Tremper had offered to pay the electric which can also be included in a new lease.

Mrs. Phillips motioned to authorize Mr. Stein to draft a new lease for Trinca Airport.

## Crack Sealing VS Oil And Stone Treatment

Crack Sealing at this years Morris County Co-OP price is \$0.415 per linear foot. To crack seal one mile of road would be about \$2191.20 If there was only one crack per mile if there were a large number of cracks the cost would be more with less distance covered.

Oil And Stone Treatment at this years Morris County Co-Op is about \$1.60 per square yard . To oil and stone one mile of road is about \$19,000.00 which would seal all cracks and any small imperfections. It also would increase traction in slippery and wet weather.
